

**REMARKS**

Entry of the amendment and consideration of the application are respectfully requested. The amendments merely put the claims in better form for prosecution by deleting claims prosecuted in prior applications and by correcting minor typographical errors. The drawings were amended to indicate the prior art status of Figures 36-40. The amendments add no new matter to the application and entry thereof is earnestly solicited. Attached hereto is a marked-up version of the changes made to the specification and claims by the current amendment.

Respectfully submitted,

BANNER & WITCOFF, LTD.
